LIFE AFTER EASTER

Yes, Virginia, there is life after Easter. Ha. We lead up to a big event and then have a let down afterwards. However, we have 52 big events every year. This is our Sunday morning time. The worships and Bible studies are core to calling people to Christ. Therefore, we don't go from a big event to regular times. We go from important Sunday to important Sunday each week. So, the rehearsals continue to be crucial to allow us to offer our best to our God. We will start some new music and refresh some Easter music and pull out a few we have shared before. As stewards of the talent God has given us, we are required to be faithful in serving Him. Thank you for how you do this throughout the year. What a blessing you are!

THANK YOU FOR EASTER

Thank you for the great worship on Easter Sunday. What a joy to be with so many on that day. It was a great worship with the songs and the Bible message. I am grateful for your participation and your prayer. More than your music, I am grateful for the heart of praise that you bring to lead people to worship Jesus. These "big" Sundays are fun, but every Sunday is important. Every Sunday is a day to celebrate the resurrection of our Lord. Let's lift Him up each week. People need the Lord!

PASTOR SEARCH

The Pastor Search Committee continues to diligently work. They have reviewed over 1,000 Pastors through websites and listening to sermons. There have been some beginning interviews with a small number of men. Only God's timing will tell of the date of calling a Pastor. While it has been one year of having a vacancy, the Pastor Search Committee has only been approved for searching since September. This group needs your continued prayers.

Begin to pray for our church to be ready for the time when a candidate is announced. Pray for discernment for all. Pray for unity in moving forward. Pray for us to be ready to rally behind the shepherd that God will send to help lead and guide.

I know that we are all anxious about who it will be and when he will come. Wait on the Lord. Trust Him. *"You will keep him in perfect peace, Whose mind is stayed on You, Because he trusts in You."* Isaiah 26:3

CHRISTMAS IN NASHVILLE

Our choir has been invited to be a part of a mass choir on Sunday, December 15, at the Schermerhorn Symphony Center in Nashville. This is a part of a celebration called "The 1st Annual Music City Carol Sing". Our friend, Phil Barfoot, is putting this together. We will sing with the Nashville String Machine accompanying. We will rehearse on our own at church and join them that Sunday afternoon for a rehearsal and Sunday night for a performance. There is no cost to you for this event. However, we will require a certain percentage of attendance at worship and rehearsals for you to feel comfortable enough to participate. This will be a highlight in God's Music Ministry here. Plan your calendar now to be with us. We only have these few details now. More information to come.

MISSING SOMEONE

Look around you at rehearsal and worship times. Is there someone you have not seen in a while? All of us need to be wanted and noticed. Reach out to those you have missed. Contact Pat if you need an email address or phone number to contact them. Some are out due to illness. Some have changing life circumstances that cause them to be out for a while. Please pray for them and then contact them. Everyone is important and everyone is needed to help in the leadership of worship. Thank you in advance for reaching out with God's love.

11 AM CHOIR

Thank you again to each of you who have helped us in the 11 am worship choir. Not everyone can come each week, but we are grateful anytime you can attend. Each week, we send out demos for you to listen to and prepare for leading in worship. We typically send out the demos by the middle of the week and then again on Saturday. All that is required is for you to listen to the demos and become familiar with the songs. Then show up in the Choir Rehearsal Room about 10:45 to run through the songs one last time. Others are welcome to join us. You don't have to be in the choir or orchestra. So if you know of someone, invite them.

The addition of the choir at 11 am and singers at 8:30 has helped remind us that we are one church in two worships. It is important for us to be one in Christ. Consider helping once in a while or even more often. It is great to worship together.
