FELLOWSHIP TONIGHT

You think my jokes are corny? Wait until you see the fellowship tonight. Corn city. What do you think will be served? After you see it, what would you add? As always, thank you so much to Juliette for providing the snack...and the fun idea. Plan to stay a little longer and enjoy the food and fellowship.

Black AND Khaki October 28

BONUS REHEARSAL

The Adult Choir will add a rehearsal to the schedule to help make up for Wednesday night missed due to holidays. Thursday, October 25, from 6-7:30 pm. We will provide snacks for your sustenance and childcare for your sanity. Childcare will be by reservation only. These will be important times and I ask you to block these out on your calendar now. Thank you for this extra effort.

NIGHT OF WORSHIP

We are going to have a night of worship lead by all the worship groups in our church. This would prayerfully include Korean, Hispanic, Kirkwood, 8:30 am and 11 am. Each team would lead a song and then we will combine for a couple with the congregation. It will be a great night. The date has moved due to Fall Break. We are now looking at Sunday night, October 21. Mark that in pencil on your calendar. You will all want to be a part of this incredible night. We will wear black and khaki that night and meet at 4:30 to warm up. Thank you for your leadership that night.

NO REHEARSAL 10/10

Wednesday, October 10, is the annual Fall Break for the local public school system. We do not have activities on the Wednesday in the middle of Fall Break. So many families and teachers are out that week and staffing and attendance become real issues. So note on your calendar that we will have no rehearsal on October 10.

PASTOR SEARCH

Please pray for the members of our Pastor Search Committee. Pray for God to work mightily through them as He brings God's man to us. Pray for wisdom and discernment. Pray for unity of purpose. Pray for vision.

This is a long process and we all can grow weary in well doing. Pray for their families as the work of the committee takes them away from time with family.

Pray for the new Pastor who God knows but we do not. Pray for he and his family as they will adjust to the move and the new location.

Pray for our church body to patiently seek the Lord and remain faithful in worshipping, serving and giving to our God.

Committee members are Paul Batson, Jason Daugherty, Steve Girsky, Licia Massa, Donna McIntosh, Bob Palmer and Beverly Parker.

WELCOME DR. SING OLDHAM

We are delighted to announce that Dr. Sing Oldham is our Interim Pastor. He will preach most Sunday mornings and will also provide insight to our church and staff as we serve God in this interim period between full time Senior Pastors. Many of you will remember Dr. Oldham from his preaching for us in May and June before Dr. Easley came. As Dr. Easley moves to Cleveland, TN, to serve on the staff at First Baptist, Cleveland, God has provided Dr. Oldham to help us. Dr. Easley's last Sunday is September 30. Dr. Oldham will begin October 7. He will only be here on Sunday mornings but will meet with the staff and Deacons from time to time in person and via phone or email. Dr. Oldham is currently the Vice President for Convention Communications and Relations for the Executive Committee of the Southern Baptist Convention. He is also the former long time Pastor of First Baptist Church, Martin, TN. Sing loves the Lord and His people. Get to know him as he comes to serve.

GREAT QUOTE

At a Worship Conference I attended recently, John MacArthur said something very profound. "Our praise can only go as high as our theology goes deep." We don't like to think about theology. "It is boring" many say. And yet, our entire life is based on our theology. What do you think about God? There is the theology of the Bible that correctly defines God. But each of us have our own theology that affects the way we live. For example, if I believe that God only shows up on Sunday, then I can live my life the way I want during the week because He is not around. However, if I believe that God is everywhere, then I live differently. I live confidently knowing that God is always with me. I live on mission because God is always there to guide. What is your personal theology? Are you growing in your understanding of and relationship to our great God? *"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."* 2 Timothy 2:15
